

TERMS AND CONDITIONS OF SALE

1. ACCEPTANCE. The terms and conditions set forth herein shall apply to all purchases of goods by the buyer ("Buyer") from Performance Plastics, Ltd., an Ohio limited liability company ("PPL"). These terms and conditions shall be the exclusive and sole expression of the agreement between PPL and Buyer with respect to the terms and conditions applicable to such purchases and supersede any prior terms and conditions. The terms and conditions contained in any other purchase or sale documentation shall not apply and shall be of no force or effect. No additions to or modifications of any of the terms and conditions hereof shall be effective unless made in writing and signed by both parties.

2. FINAL AGREEMENT. These terms and conditions are intended by PPL and Buyer to constitute a final, complete, and exclusive expression of agreement and cannot be supplemented or amended without PPL's written approval. PPL's waiver of any breach, or failure to enforce any of these terms and conditions at any time, shall not in any way affect, limit, or waive PPL's right thereafter to enforce or compel strict compliance with every term and condition thereof. Typographical and stenographic errors in any document prepared by PPL are subject to correction.

3. PRICES. Unless otherwise agreed in writing by PPL, all prices: are quoted and shall be paid in U.S. Dollars; are subject to change without notice; are F.O.B. PPL's facility, Cincinnati, Ohio; and do not include any applicable federal, state, or local sales, use, excise, value-added or similar tax or other charges, which additional charges Buyer agrees to pay. All orders are accepted subject to PPL's quoted price, or in the absence thereof, PPL's price is in effect at the time of shipment. All changes in freight rates or transportation charges used by PPL in computing prices and charges occurring after the date of PPL's quote will be for Buyer's account. Buyer agrees to accept either overage or shortage of any quantity of goods not in excess of ten percent, with the price therefor to be adjusted pro rata. If any materials used in the production of the goods are furnished by the Buyer, ample allowance must be made for reasonable spoilage and wastage, and the material must be of suitable quality to facilitate efficient production and meet all specifications.

Buyer shall make an examination and test of any goods delivered hereunder immediately upon receipt at Buyer's place of business, and failure of Buyer to give notice of any claim within 30 days after Buyer's receipt of such goods at its plant shall be an unqualified acceptance of said goods. Any course of dealing between the parties to the contrary notwithstanding, any claim by Buyer shall be deemed waived unless presented in writing to PPL within 30 days from the date of receipt of the goods to which such claim relates.

6. CANCELLATION AND TERMINATION. Acceptance by PPL of Buyer's order will give rise to a binding contract between the parties which, except as otherwise specifically provided herein, may not be canceled or modified by Buyer without the consent in writing of PPL. In the event Buyer fails to accept goods ordered or advises PPL of its intention not to accept deliveries, Buyer shall be liable for PPL's cancellation charges.
